## Notes to Riders

### CTT Regulations

No competitor shall be permitted to start either a Type A or Type B event unless such competitor has affixed to the rear of their machine a working rear red light, either flashing or constant, that is illuminated and in a position that is clearly visible to other road users.

No competitor shall be permitted to start either a Type A or Type B event unless such competitor has affixed to the front of their machine a working front white light, either flashing or constant, that is illuminated and in a position that is clearly visible to other road users.

All competitors must wear a properly affixed helmet which must be of hard/soft shell construction. Helmets should conform to a recognised Standard such as SNELL B95, ANSI Z90.4, AUS/NZS 2063:96, DIN 33-954, CPSC or EN 1078. It is the responsibility of the rider to:

- Select a helmet that offers protection against head injury and does not restrict the rider's vision or hearing.
- Ensure that the helmet is properly fitted, is undamaged and in good condition.

**PLEASE NOTE - No helmet, no front light or no rear light = NO RIDE !!!!!!!**

Riders who currently use an inhaler for medical reasons must register this fact with British Cycling to satisfy UCI, CTT and BC Anti-Doping Regulations.

It is an offence for a competitor in any event to use or to have administered to him any proscribed substance that might affect his competitive performance. A rider receiving medical treatment, which could include a proscribed substance, must not compete in time trials.

**The start is approximately 7 miles from the HQ, please allow at least 40mins to reach the start.**
