IN THE INTERESTS OF YOUR OWN SAFETY,

In the interest of safety, you must wear recognised protective headgear that meets an internationally accepted safety standard. CTT Regulations state that **ALL** riders **MUST** wear such headgear.

WORKING front and rear lights, either flashing or constant, **MUST** be fitted to the machine and be operational during the event.

This is the new course first used in 2019. Due to the Covid 19 restrictions in recent years, this is only the second time the event has been held on this course. In spite of the small field, I have decided to hold the event so that riders in general are aware that it is still active and hopefully numbers will pick up in the coming years.

Notes

- Riders are required to sign on before collecting their number. Riders are also required to sign out when handing in their number on returning to the HQ. Failure to sign out will result in a team being shown as DNF.
- Please keep the noise to a minimum to avoid unnecessary disturbance to the local residents.

- **No rider to use a turbo trainer or rollers in the HQ parking area or adjacent roads that are within 50 metres of a domestic property. Anyone failing to comply with this restriction risks disqualification.**
- No competitor's cars to be parked in Orchard Lane or Manor Road.
- There is limited space at the start so please wait in Manor Road opposite Orchard Lane so that only two teams are waiting at the start.
- Riders risk disqualification if they perform U turns in the start and finish areas or use these areas as a public toilet.
- No warming up on the course once the event has started.
- Numbers will be at HQ (and not the start) and may be exchanged for a drink after.
- Please ensure that you pin your number on your lower back. If you pin it too high on your back, the timekeeper may miss it and you could be shown as DNF on the result board.
- Where possible, teams are encouraged to wear clothing of a similar design and colour.
- Please do not wear shoe plates in the HQ.
