Information For Competitors

Please take some time to read through the notes below, especially those relating to lights and helmets.

BE AWARE OF THE ROAD SURFACE AND OTHER HAZARDS AT THE FOLLOWING AREAS:

- From start to first junction: the road is in poor condition with very uneven road surface and holes.
- Brenzett RAB (Shell Garage): the road has been resurfaced but do take care.
- There is a railway level crossing between Brenzett and Brookland RAB's. Take care when crossing.
- Possible Brenzett Boot Fair (between RAB's): beware of vehicles turning into and out of field.

If you are competing as part of the 'Road Bike' events please also read through the CTT rules for such events.

General

- Riders may use a quiet turbo trainer or rollers in the HQ parking area or adjacent roads beyond 50 metres of a domestic property. Failure to comply - rider risks disqualification from the event.
- Keep noise to a minimum to avoid unnecessary disturbance of local residents.
- Riders should not arrive at the start any more than 5 minutes before their allotted start time.
- No warming up on the course once the event has started.
- Numbers will be at HQ.
- Riders are required to sign on before collecting their number and also to sign out at the end of the event. **Failure to sign back in will result in a DNF on the results.**
- Please ensure that you pin your number on your lower back. If you pin it too high on your back the timekeeper may miss it and you could be shown as DNF on the result.
- Whilst competing, riders must ensure they adhere to the Highway Regulations and CTT Rules and Regulations, disciplinary action may result from breaches to these regulations.

Helmets & Lights

- **All** competitors must wear a properly affixed helmet, which must be of hard/soft shell construction. Helmets should conform to a recognised Standard such as SNELL B95, ANSI Z90.4, AUS/NZS 2063:96, DIN 33-954, CPSC or EN 1078.
- No competitor shall be permitted to start the event unless they have affixed **BOTH front & rear lights** to their machine. Both lights must be working (either flashing or constantly illuminated) when the rider starts and in a position that is clearly visible to other road users.

Covid-19

CV19 must be still considered and the CTT have current guidance in place on their website.

In summary:

- Competitors should not attend if they feel ill in ANY way especially if they or family members have any CV19 symptoms.
- An elevated resting heart rate or exceptionally quick to react heart rate during warm up can suggest an underlying asymptomatic illness of ANY kind, and that they should DNS and leave immediately and not go to the start line if they feel this is the case.
 - Any competitor where the above is relevant should obtain a lateral flow test.
