Any competitor where the above is relevant should obtain a lateral flow test. Competitors are encouraged to undertake a lateral flow test prior to attending the event.

Any Positive Tests - The competitor should not attend the event.

8. Numbers should be centrally positioned below the waist so as to be clearly visible from the rear.
9. Riders who use an inhaler for medical reasons (asthma etc.) should register the fact with British Cycling to satisfy UCI, CTT and BC anti-doping regulations.
