**Please note that this event will now be held over 10 miles instead of 25 miles because of two sets of roadworks and temporary traffic lights on the A28 between Chilham and Ashford. However, the revised course will still start at the usual '25' start at Molash.**

### Course Q10/6(A) - Chilham

**Start** east of Molash on the A252 at the corner post of Northwood House at lane entrance (TR032521). **Proceed** on A252 and then the A28 to Milton Manor RAB, Thanington (6.726 miles). Turn and retrace on A28 to finish opposite the 'Old Alma', former public house, approximately 150 yards short of Chilham fork.

**Cycling Time Trials requires you to wear a properly affixed helmet of hard/soft shell construction that meets an internationally accepted safety standard. You are also required to have a working front white light, and a working red rear light, both of which can be either flashing or constant, fitted to the machine in a position visible to other road users and active while the machine is in use.**
